Experience

July 2020 - Present / Oklahoma Tax Commission
Communications Specialist Intern

I currently develop layouts and assets for printed and digital communication materials, as well as assist in the creation of an updated website through collaborative brainstorming, creating assets, refining wireframes, and managing content.

2019-2020 / Sagac Public Affairs
Graphic Design Intern

I designed and proofed interactive emails, online promotions, newsletters, and infographics centered around government affairs.

2017-2020 / Kansas City Art Institute Print Center
Print Associate

I was responsible for large and small format print production, design, equipment maintenance, and customer service.

2019 / Freestyle Creative
Graphic Design Intern

I developed motion graphics, signage, and web promotions, edited photos and videos, and assisted in design pitches and client meetings.

2016 & 2018 / Southwestern Stationery
Graphic Design Intern

I designed and proofed a range of printed products including brochures, publications, and packaging according to client needs and production standards.
